# Hsinchu City

- Hsinchu City is a Taiwanese town with a colorful historical story. It is commonly known as "wind town" or "windy city" because of its famous gusts.
- The Hsinchu Science-based Industrial Park primarily develops high-tech research and products. Not only has the Hsinchu Science Park earned Hsinchu the euphonic title of "City of Technology", it has also created countless job opportunities.

# Life around NTHU
