

## International Student Leadership Program

In this current age of globalization, being aware of cultural differences and leadership styles are key for young people who wish to gain an understanding of the role leadership plays in career advancement in a competitive global economy.

International Student Leadership Program at California State University, Fullerton (CSUF) for international university students is an extraordinary chance to gain an educational and cultural experience of a lifetime. The goal of this program is to assess and develop your understanding of leadership and to grow the necessary skills required of emerging leaders today. Through dynamic lectures, workshop activities and group presentations, this program will provide you with a self-awareness of your leadership style, enhance your English fluency, as well as enrich your knowledge of American culture.

### Program Features:

- Lectures and workshops delivered by highly trained expert instructors in the areas of leadership, English language, and American culture
- All classes and activities conducted in English to enhance your fluency
- Learn your leadership style and the necessary skills required of emerging leaders today
- Experience Southern California culture from its beautiful beaches, Hollywood, Disneyland, Universal Studios....and more
