Fenglin Medical Campus, Fudan University
Address: 130 Dongan Road Shanghai P.R.CHINA

■ ANNOUNCEMENT

In nearly two decades of its history, The East Asian Research Universities (AEARU) has been serving as an advocator for the promotion of original research and continuous improvement of quality of higher education. The endeavors, the devotion, the synergy which bring to this role contribute significantly to innovation process and social progress in science, culture, economy of the region.

With the support of AEARU, it is a great pleasure that the "3rd AEARU Medical Center Forum" is hosted by Fudan University and organized by its Shanghai Medical College on 20-21 November 2015. The forum aims to strengthen a long term partnerships among AEARU Universities with a focus centered on theme of "Open a New Era for International Collaboration among Medical Centers at AEARU Universities". About 8-10 key-note speeches are scheduled during this 2-day forum, which spans 45 minutes including 10-minute comments and 15-minute open discussion.

On behalf of each Medical Center or Health-related Research and Development Center at its Universities in East Asia region, speakers and participants are more than welcome to share and discuss strategic thinking, ad hoc cases and approaches addressing the topic as bellow. So honored we are to invite you to join the forum at Fudan University, your involvement and contribution are highly appreciated. We are looking forward to seeing you soon in Shanghai this November.

For the purpose of organizing a successful forum, we also would like to have your comments on the topics and even the novel one beyond the followings:

■ TOPICS

1. How to launch elite medical student training under the Medical Center model
(现有医学中心模式下如何开展精英医学教育)
