Hanyang International Summer School

Program growth

Since 2013 HISS has been steadily growing. Students come from all over the world, but recently there has been an increasing amount of Asian students. Most likely thanks to the popularity of “Hallyu”.

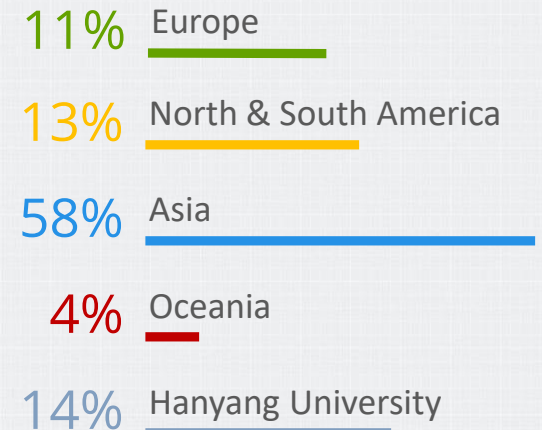

Highlights	2014	2015	2016	2017
	156% increase	147% increase	133% increase	118% increase

Hanyang International Summer School

Region of HISS students (2016)

Asian students are largely represented on HISS, but over the recent years there has been an increase in European and American students as well.
