Executive Director  
Airlangga Global Engagement  
Universitas Airlangga

### **FUTURE@AIRLANGGA**

Universitas Airlangga prepares its students to have integrated hard skills and soft skills learning process of intra-, extra-, and co-curricular. Facing many global challenges, Universitas Airlangga encourages the students to have more exposures for international environment by inviting more international students to participate in programs that are designed for academic and cultural purposes.

This catalogue is designed to meet the demands on information availability regarding the international programs in Universitas Airlangga. It is specially dedicated to any international students who wish to expand their experiences for a study outside their university. There are various programs which the international students can select.

I hope that the more international students come to Universitas Airlangga, the more they know Indonesia especially Universitas Airlangga along with its local characteristics. Besides, they can bring such an international environment to the students of Universitas Airlangga. Finally, as my foreword, I wish that the programs could be a medium where the international students and local students learn to be global citizen through a lots of cultural and educational activities.
